Devoted to Fellowship

16/20 in the series Great Chapters of the Bible
July 26, 2015 • Pastor Jon Gott • *Acts 2:43-47*

There is an old saying, "a man's home is his castle," expressing the comfort, safety and security of one's house. But so often, we build high walls around our castles and even add moats in fear of what letting someone else in would do. As we study the Scriptures, we see that God has created us to have a unique sense of community, and the church should be a place where those guards are able to be let down as we seek to grow in our personal relationship with God.

1. **Fellowship builds faith** - through building accountability and building unity.
2. **Fellowship builds relationships** - assembling together is essential and keeps you from sin.
3. **Fellowship builds the kingdom.**

- Application -

"No man is an island."

Do you run from fellowship or embrace it?
