GOD-SIZED PRAYER

3/7 in the series Audacious Prayer

April 30, 2017 • Pastor Robb Williams • *Joshua 10:1-14*

As we look at today's audacious prayer (*Joshua 10*), we learn that Joshua must have had a limitless view of God. Similarly with us, the size of our prayers will reflect the size that we think God is. So, let's broaden our understanding of God and delve into Joshua's audacious prayer so we can learn to pray God-sized prayers.

1. **God-sized prayers** - (*Joshua 10:12-13; 2 Kings 4:6; John 2:1-9*). We seem to only be limited by our own limitations.
2. **Claim God-sized promises** - (*Romans 8:38-39; Romans 15:13*). Live within God's love? What else would we ever want?
3. **Live in God's hope** - (*Matthew 9:6-8; John 15:4-5*). The claims and promises of God are as big as he is. Let's claim them and walk in them.

Application

Have you received God-sized forgiveness?
Are you living confidently under his promises?
