

Use the following growth group discussion questions to deepen your relationship with God, his Word and others.

BREAK IT OUT:

1. List one to three of the greatest gifts you have ever received. What made them great gifts?
2. What were the key takeaways for you from Sunday?

TALK IT OUT: (GENESIS 1:31; PSALM 139:13-16; EPHESIANS 2:4-10)

3. In Sunday's sermon, we learned God doesn't make junk or mistakes, which applies to the design of physical bodies, the situations we face in life and our family background, etc. Why do so many people question whether God made the best decision regarding their own lives?
4. What is the relationship between God's grace and good works? How does this play out in our lives?
5. What has God's grace meant to you in your life?
6. What good work do you feel God may have in mind for you?
7. God says that He created us or designed us in Christ Jesus for good works. What does that mean? What might 'good works' include? Is He just interested in works? What is needed so that they become good?
8. Have you focused on what the Lord has designed you to do or more on what you want to do? Share. What steps can you take to make it more in line with what God wants of us?

WORK IT OUT:

9. Choose two or three good works that you will do for the Lord this week that you do not usually do.
10. How can your growth group pray for you and help you as you take your next step?

CRAFTSMANSHIP

October 14, 2018 • Pastor Reggie Rice • *Genesis 1, Psalm 139, Ephesians 2*

God makes _good things_ (*Genesis 1:31*).

God cares about _details_.
(*Psalm 139:13-16*).

God loves to _display his work_.
(*Ephesians 2:4-7; 10*).

Take Away:

NEXT WEEK • WHAT WE KNOW ABOUT THIS BODY - 2 Corinthians 5:1-10
